# Kingdom Connections

**The Ultimate Guide to Making  
Your Church and Ministry  
Visible Through Excellence**

# Why Visibility in the Faith Community Matters

*"For where two or three gather in my name, there am I with them."*  
- Matthew 18:20

Did you know that 55% of Christians in America do not have a home church? Or that millions of people search online for spiritual support every year?

Churches and ministries share a divine mission: spreading the gospel of Jesus Christ and reaching souls in need. But in today's digital world, many churches remain unseen by those seeking a faith community. The digital faith moment is very powerful, and we want your church to be seen as the light God calls it!

**Excellence** is a platform designed to empower churches and ministries, making it easier for the lost to find hope, healing, and a home church. This guide will show you how joining **Excellence** can expand your reach, grow your congregation, and foster meaningful connections rooted in faith.
